  <h2>Sports and Fitness</h2>
  <p>
    Sports play an important role in keeping us healthy and active.
    Games like <b>cricket, football, and hockey</b> bring excitement
    and teamwork, while individual sports such as <b>tennis, badminton,
    and swimming</b> improve focus and stamina. Regular physical activity
    not only strengthens the body but also sharpens the mind.
  </p>

  <p>
    Watching and playing sports teaches values such as discipline,
    cooperation, and sportsmanship. Every athlete, whether a beginner
    or professional, learns the importance of practice and persistence.
    Truly, <i>sports are a celebration of both body and spirit</i>.
